Hi Mary Beth – Just a quick note to let you know the 10 drums (8 soil and 2 water) of IDW were picked up from the site yesterday. There were no technical or health and safety issues with the pick up and the area used to store the drums is all cleaned up. I'll forward you a copy of the manifests once they are uploaded to our SharePoint site.

Please let me know if you have any questions.

Cheers!

Bill
